TVR Instruments Limited is committed to operating a safe and healthy working environment, to this end we state that:

Our general health and safety policy is:

- To prevent accidents and ill-health caused by our work activities;
- To maintain safe and healthy working conditions, provide and maintain safe plant and equipment, and ensure safe storage and use of substances;
- To ensure safe access and exit from business premises at all times, and adequate First-Aid provision;
- To provide adequate training, including induction and refresher training, to ensure that staff are competent to carry out their work;
- To consult with our staff on matters affecting their health and safety;
- To provide adequate information, instruction and supervision to staff and others who might be affected by our work activities;
- To ensure that staff comply with measures provided to protect their health and safety, and promptly report any defects;
- To review and revise this policy as necessary, and at least annually.

Overall and final responsibility for health and safety rests with Tony Robinson, Managing Director
